

# An Archaeological Alphabet -

by Sally Phillips

(continued)

**M** is for MEASURING -

Essential!  
(Needs plenty of  
string) ...

**N** is for NEANDERTHAL -

Not as black as  
he was (often)  
painted...

**O** is for OBSIDIAN -

A black, volcanic glass with  
very sharp edges. Fantastic for  
making very sharp tools.....

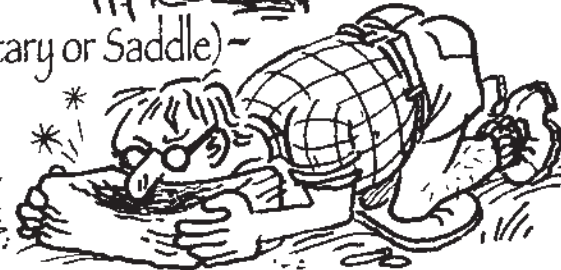

**P** is for "PALAEO"...

This prefix can be applied to  
anything older than your Auntie  
Doris..

**Q** is for QUERN (Rotary or Saddle) -

A grindstone - ideal for  
keeping your nose to ...

**R** is for ROCK ART - From which all cartoons evolved ...

to be  
continued...
