Excavations 1978

Our President, Mr. Wedlake, will be conducting excavations at Glastonbury Abbey as from July 3rd for approximately three weeks.

Mr. Wedlake very much hopes that as many members as possible will take the opportunity to visit the excavations in the last two weeks.

Bath Excavations

Professor Barry Cunliffe as you probably know, will be excavating an area in the vicinity of the Baths this July.

Somerset Affiliated Societies' Meeting

This year the Bath and Camerton Society will be hosts to the annual meeting of Societies affiliated to the Somerset Archaeological and Natural History Society. The date will be Saturday October the 14th. Professor Cunliffe has promised to be a guest speaker and there will be others. Tickets are limited 50p each and will include tea. More details later.

Tuesday Night Discussions

It is hoped to continue the series of discussions on subjects of archaeological and historical interest at the Headquarters next winter.

They have proved very popular and have been well attended. Members are encouraged to take part in the discussion of a subject as the atmosphere is very informal.
